

Bingo boards

Teacher instructions

1. Assign each student to a bingo board.
2. Allow students 20-30 minutes to complete as many activities as they can.
3. When time is up, call out activities in a random order from this list until 3-4 students yell BINGO.
 - a. Note: If a student completed all activities you called across a row, vertically in a column, or diagonally they should yell BINGO.
4. Delete this slide before sharing this slideshow with students.

Modifications

- Customize the activities for your grade or subject area.
- Have students create their own bingo boards by selecting activities to add to their board.
- Print the bingo boards and stickers. Laminate if you intend to use of multiple classes.
- Add bingo cards to a shared folder and have students choose a random bingo card to play.
