

TRUANCY EDUCATION GROUP REFERRAL

The Warren County Educational Service Center Truancy Education Group is a 3-session in-person group that takes place weekly during the school year from 5pm-7pm at the Warren County ESC for program-enrolled students and their guardians to attend together. Students may be referred by Attendance Officers, Juvenile Court, schools, parents, and other agencies who have concerns regarding a Warren County student's truancy and believe that this group education class could be beneficial to the student and family.
