The screenshot shows the SCView login interface. At the top, there are links for 'SCSupport | Contact Us', 'LOGIN', 'GOOGLE', 'MICROSOFT', and 'ONELOGIN'. Below these is a 'Database' input field and a green 'Login' button. A Microsoft authentication window is overlaid, showing the user's email 'katie.brown@warrencountyesc.com' and the prompt 'Approve sign in request'. It includes a large number '98' and instructions to open the Authenticator app. Below the number, it says 'Didn't receive a sign-in request? Swipe down to refresh the content in your app.' and a checkbox for 'Don't ask again for 2 days'. At the bottom of the authentication window, there is a link 'I can't use my Microsoft Authenticator app right now' and 'More information'. In the bottom right corner, there is a 'MY PAY' section with a dropdown menu for 'Type' (currently set to '(All)') and a 'From' date selector (set to 'Last 30 Days'). The dropdown menu is open, showing options: '(All)', 'Pay Stub', and 'Tax Docs'. Below the dropdown, there is a table with columns for 'Type' and 'Date'. The table contains two rows: 'Pay Stub' dated 'Friday, July 25, 2025' and 'Tax Docs' dated 'Thursday, July 10, 2025'.
