Local youth are eager to learn, work, and grow — and **you** can play a key role in their success. By offering mentorship and real-world work experience, you help build the next generation of Warren County's workforce.

HOW YOU CAN HELP

- Provide mentorship and guidance to youth ages 14-24
- Offer real-world work experience in a supportive environment
- Help young people build confidence, skills, and career direction
- Share workplace expectations and professional habits
- Contribute to developing Warren County's future workforce!
