Ohio Career Launch

Ohio's employment program for young adults

What is Ohio Career Launch?

Ohio Career Launch is a free employment and training program for eligible young adults. It provides personalized support to help young people explore careers, build skills, and connect with services.

Ohio Career Launch coaches work one-on-one with participants to help them overcome challenges, build confidence, and find jobs that match their goals. The program's mission is to give young adults practical tools and steady guidance so they can build a stable, successful future.

What services are available?

The following are some examples, depending on your unique needs:

- **Tutoring and school support**
- **Alternative school options** if traditional school isn't the right fit
- **Paid and unpaid work experience**, including:
 - o Summer jobs
 - o Year-round jobs
 - o Internships
 - o Job shadowing
 - o Pre-apprenticeships
 - o On-the-job training
- **Job skills training** to learn a trade or career skill
- **Classes that combine education with job readiness training**
- **Leadership activities** to build confidence and teamwork
- **Supportive services** that make staying in school or working easier
- **Mentoring** from caring adults
- **Follow-up support** after you start working or training
- **Career guidance and counseling**
- **Money management and financial literacy lessons**
- **Entrepreneurship training** if you're interested in starting a business
- **Labor market information** to learn which jobs are in demand
- **Help preparing for college or job training programs**
